Access to all new models for \$2 per month

I have a subscription service on MyMiniFactory, a tribe. I make miniature wargaming and roleplaying game terrain for your home 3D printer.

All my new models for \$2 per month

- * Early access while I work for \$5 per month
- * Merchant license for \$20 per month
- * Airdropped loyalty rewards gradually giving you access to my previous models
- * 50% off in my store for all tribe subscribers
- * Be part of our community by suggesting ideas and vote on what could be the next project
