Summary

I've designed a wiper holder for our shower. The easiest way how to store the wiper to clean shower glass

[Household](#) > [Bathroom](#)

Tags: [bathroomaccessories](#) [wiper](#) [wipers](#) [wiperholder](#)

Easy to print wiper holder. I've printed in PETG just to be extra careful when someone showers with boiling water :)

I will add photos later. But works great, fast print, no special requirements.

Print your own wiper holder, instead of buying one on Ali.
