### Summary

Let's face it. Everyone has had a bad night where the dice just don't roll your way. And we all know who's to blame....

Let's face it. Everyone has had a bad night where the dice just don't roll your way. And we all know who's to blame. It's the dice!!! When your dice are being really bad, teach them a lesson and put them in jail!

### Print Settings

#### Printer Brand:

Crealitiy

#### Printer:

Ender 3 Pro

#### Rafts:

No

**Supports:**

No

**Resolution:**

.2

**Infill:**

20%

**Filament:** Inland/Overture PLA Silver/Matte Black

**Notes:**

Each part is prefixed with the number of pieces required to make the full set.

Post-Printing =====

**Assembly**

This uses the snap sockets parts from TinkerCad to snap together.

How I Designed This =====

**Design Notes**

To make the texture on the pillars, floor and roof, I used the "Voronoi" tool under shape generator in TinkerCad.

To make the snap connectors, I used the "Snap and Socket" tool under shape generator in TinkerCad. Category: Toy & Game Accessories
