This is a revision of a nice DM Screen. The only changes I needed to make were to resize to use some existing 8x10 chipboard.

Print Settings

Printer Brand:

Creality

Printer:

Ender 3 Pro

Rafts:

No

Supports:

Yes

Resolution:

.2

Infill:

100

Filament: Hatchbox PLA Gold Silk, Black

Notes:

Resized this model to use with 8x10 chipboard in TinkerCAD. After making the 3 panel DM Screen I designed the strap used to keep it closed.

Found images on DeviantArt for various dragon scenes. Created Dry Erase Panels using chipboard and cricut Dry Erase vinyl.

Assembled press to fit + super glue.

Category: Games
