---

<https://www.thingiverse.com/thing:4441076> presented a thumb screw to replace the wing nut on the front-left corner of the BIBO bed. It is too wide for the other two positions.

I have created a smaller version to fit the right-front corner and the back-center.

A M3-.50 nut is required.

### Print Settings

#### Printer Brand:

Creality

#### Printer:
