updated 20. 10. 2023 | published 20. 10. 2023

Summary

Here's a 3D stand for the Dragon and second stage papermodels from AXM Paper Models.

[Toys & Games](#) > [Vehicles](#)

Tags: [dragon](#) [spacex](#) [crewdragon](#) [cargodragon](#)

This stand is a 3D printable option to display the SpaceX Dragon papermodels from my AXM Paper Models website. Any Dragon version 1, CrewDragon or CargoDragon with a separate second stage will fit onto this stand.

3D printer: Ender 3

filament: PLA

Use of no supports
