Tags: [clock](#) [openscad](#)

Remix of excellent model by WildJoker. I resized the center hole to 8mm to accommodate my movement purchased from Amazon US:

<https://www.amazon.com/dp/B09JNLM2FV>

Also resized the numbers and tick marks. My parameters are shown in the attached screenshot. Made a manual filament color change, my 3mf file attached. Printed my own clock hands, STL files attached. Also glued a cylinder to the back so the movement wouldn't be visible from the sides. STL file attached.

This remix is based on

Standard Clock (Parametric)

by WildJoker
