Summary

New cups at festivals are often without clip, so you have to hold it in your hand all the time.

New cups at festivals are often without clip, so you have to hold it in your hand all the time. With this clip you can hang it in your pocket.
I (designed it quite drunk after came back home), printed one for myself, but next day many friends want it too.

Neoficiální merch <https://bojistetrutnov.cz> :)

Designed in Tinkercad. Feel free to edit here: <https://www.tinkercad.com/things/75DuqKQXUUq>

Print instructions

No brim or supports needed.
PETG at 0,2mm, 3+ perimeters recommended
