updated 8. 10. 2022 | published 8. 10. 2022

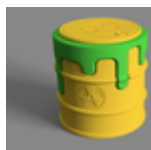

Summary

I've removed the nuclear symbol and replaced it with a biohazard sign, remixed for my partner.

[Hobby & Makers](#) > [Organizers](#)Tags: [barrel](#) [biohazard](#) [drippy](#) [drippybucket](#)

This is just the main body of the barrel with the modified symbol. Please see the original Drippy Drum by davemoneysign for the rest of the part files. Out of respect, I've left his logo on the bottom as it was in the original.

This remix is based on

Drippy Drum With Divider Insert
