### Summary

, 18mm (NFC card), , , ,  
petg

[Gadgets](#) > [Portable Devices](#)

, 18mm (NFC ), , , , petg

This is my first self-made model product. It is suitable for 18mm coil (NFC card). The cover can be opened, and no closed printing is required. If the shell is damaged, the card can be replaced directly. It is recommended to use petg directly.
