Summary

Organizer for mini and normal sized pads along with some cotton buds.

[Household](#) > [Bathroom](#)

Tags: [bathroom](#) [bathroomorganizer](#) [organizer](#) [sanitarypads](#)

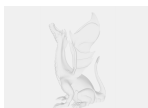

Something quick I put together for the bathroom.
Intended to fit mini and normal sized pads along with some cotton buds.

10th Oct 2022: I was trying to save space so made the dimensions just fit.
For a bit more slack, print it at 105%
