Summary

Works with PLA or ABS. Use supports at your own discretion. I printed several of these with no supports whatsoever....

[Hobby & Makers](#) > [Other Ideas](#)

Works with PLA or ABS. Use supports at your own discretion. I printed several of these with no supports whatsoever.

Redesigned using metric measurements as most 3d print software is metric.

This holds 2 lee primer seaters, 2 bullet puller collets, 6 lee case-trimmer length gauges, 4 shell holders and 5 reloading dies.

Category: 3D Printing
