This was migrated from my Thingiverse profile and is from 2016.

Also have a look at my remixes of this with a gecko and T-rex:

<https://www.printables.com/model/432454-finnair-displacement-pipette-holder-with-t-rex-hea>

and

<https://www.printables.com/model/432446-finnair-displacement-pipette-holder-with-gecko>

Holder for Finn pipettes / adjustable air displacement pipettes. This fits the pipettes pictured (Eppendorf research plus, Eppendorf reference and Fisher brand). No guarantee it will fit any others.

Ours are attached to the wall using Velcro tape although holes are provided for more permanent attachment.
