Tags: [smd](#) [smdcomponents](#) [smdcontainer](#)

This is a Rail for the SMD Component Magazines by [robin7331](#) over at Thingiverse. This model is parametric with only one variable: the width of the rail in units of the number of magazines. Each Magazine is 15mm wide. For a tight fit, insert a thin layer of packing foam at the bottom part of the rail, as seen in the images. Print with supports.
