updated 6. 11. 2022 | published 6. 11. 2022

Summary

A Tesla Turbine, made for no particular purpose.

[Learning](#) > [Engineering](#)

I made this a year or so ago, but recently found the files and figured I'd publish it. The parts are not organized in any way. I might revisit this later, but just figure it out for now if you care to.
