Print instructions

This is a re-mix of Panda Props original design- Thank You Panda Props

Changes

scaled to 7 3/4" in length a little longer than the original

Removed some of the tabs (few people found more than the 1st two useful)

Added custom text for sports teams - schools- hospitals

Material- PLA or PETG

Layer height - 0.30

Fill - none

Crank up the print speed these can be a little sloppy. I typically can print 10 in under 2 hours. If you are printing for health care workers please clean your print bed each time and use gloves if possible and store finish product in sealed containers. Best practice is to let the sealed items sit for at least 1 day before delivering to a hospital and always ask them before you print.
