Summary

for making big circles, fixate the hub on the center and use a thread on a pen to draw

[Hobby & Makers](#) > [Tools](#)

Tags: [compass](#) [drawingcompass](#) [zirkel](#) [fulcrum](#) [pivot](#)

use tape or a nail to fixate the hub in the center and knot a pen or paintbrush to a thread and the clip.

The clip can be easily attached and removed and ensures a proper pivot.

You can use the [Seilspanner](#) to adjust the thread length if needed.
