I have been modding velvinator's "Tokaido Complete Organizer" slightly as I'd like it to fit the tabletop holders. As a result, the token box is a different size. This dice tray is made to fit inside it.

Painted with Vallejo Wood Grain and then spray varnished.

Print Settings

Printer:

Artillery Sidewinder X2 (0.4mm nozzle)

Rafts:

No

Supports:

No

Resolution:

0.20

Infill:

15%

Filament:

eSun PLA+

Brown

Notes:

Designed in Tinkercad using the wood plank designed by "TinkerTesla", resizing and hollowing it out. Just like in the real world.
