Summary

Soundbar stand for Samsung HW-Q700A.

[Household](#) > [Living Room](#)

Tags: [samsung](#) [soundbar](#) [stand](#) [hwq700a](#)

Simple Z-shaped stand for Samsung HW-Q700A soundbar. Raises soundbar center unit 220mm above media cabinet to get it closer to ear level.

The stand is attached on each side to mounting hole with M4x10 screws that came with soundbar. You can add your favorite cable clip on the back to keep cables out of sight.

Printed in matt black PLA.
