Here is my next spooky model of the month.

During the month of October, I like to watch one Halloween themed or scary movie per day. One such movie I watched this month was 2016's Canadian cosmic horror movie The Void. The movie featured cultists that stood outside the hospital the movie was set in like sentinels, and I thought I'd model those guys as a tribute. I included three different poses for them, these are perfect to use as cultists or cult fanatics from Monster Manual's appendix B. Enjoy!
