updated 4. 10. 2023 | published 4. 10. 2023

Summary

Slip-on tray that fits on all Ikea Lack legs. Allows to store mobile phone, remotes or snip pliers.

[Household](#) > [Living Room](#)

Tags: [ikea](#) [holder](#) [lack](#) [tray](#) [remote](#) [mobile](#) [basket](#)

Please note, that there are subtle variations in Ikea Lack leg width - if the tray is a bit bigger for you, you have several options:

- put a dab of glue gun material on the inside and let cool down 😊
- rotate your Ikea Lack leg 😊 they are not perfectly square
- swap legs 😊 if you find one that fits you

Can be printed in any material. PETG will last longer.

Pictured is a 0.20mm resolution

PS: this is my first model ever
