Summary

The perfect knife for the hockey mask enthusiast.

[Costumes & Accessories](#) > [Cosplay & Costumes in general](#)

The perfect knife for the hockey mask enthusiast.

The blade will fit the bed of a Prusa MK3 if you print it diagonally. On a 300x300 bed you can print it diagonally at 130% scale and its a better size.

I have printed at 0.2mm layer height and 30% infill.
