Woot! LEGO® minifig compatible football hats in celebration of the American SuperbOwl holiday.

Experimenting with turning almost anything into a minifig hat. Thanks @TheNewHobbyist and @Zheng3\_Jim! Printed with support on an Ultimaker 2 with Simplify3D as a slicer. Hand or rotary tool may be needed to remove supports.

### Call to Action

You should read my blog <http://designmaketeach.com>. I write about 3D printing, digital fabrication and making in the classroom. I also have some cool art and projects that promote, diversity, equality and social justice through designing, making and sharing.
