Reproduction of the March on Washington for Jobs and Freedom button. Martin Luther King Jr. delivered his "I have a dream" speech during this march and is seen wearing the button in photos of the event.

Files are available for 3D printing including a dual extrusion version, laser cutting and 2D printing. Multiple source images were used to create the vector image for this design with <http://buttonmuseum.org/buttons/march-washington-jobs-and-freedom> providing the primary visual source material.
