Design based on the logo for the documentary Code: Debugging the Gender Gap. Check it out. <http://www.codedocumentary.com/>

This design is for my daughter: May she always understand the how behind the things that are important to her.

This thing was made with Tinkercad. Remix it and make a magnet, necklace, earrings, desk sign, etc. <https://www.tinkercad.com/things/cFNly54v9U6>

Category: 2D Art
