Summary

Wall spacer for tuya/zigbee smart switch

[Household](#) > [Other House Equipment](#)

Tags: [smart](#) [spacer](#) [switch](#) [tuya](#) [zigbee](#)

Wanted to install smart switch for the kitchen, realizes that wall socket is shallow and cannot accommodate the switch rear, whipped up a design for it. This model provides 15mm spacing and can be adjusted according to your spacing needs by tweaking the height in your slicer.

Dimensions are 86x86mm. Print without supports.
