

Hook for scraper tool

 **Lukáš Kupec**

[VIEW IN BROWSER](#)

updated 10. 10. 2022 | published 10. 10. 2022

Summary

Remixed for use with double sided sticky tape.

[3D Printers](#) > [Accessories](#)

Use a double-sided sticky tape.

Printed with pin following the up direction. Reorienting might improve the overhang.

This remix is based on
