Tags: [mini](#) [mount](#) [prusa](#) [vesa](#)

Just needed to remix the base to fit on the print bed of my Prusa Mini+. The other part is the same as the original.

Small stand with VESA 75mm mount for 7-8 inch monitors. Needs a 3cm M6 screw, washers and nut. 4x M4 8mm to mount the monitor.

### This remix is based on
