### Summary

Mount your 8858 on your IKEA SKADIS

[Hobby & Makers](#) > [Organizers](#)

Tags: [ikeaskadis](#) [skadis](#) [smd](#) [solder](#)

Print everything flat side down with no supports. The controller mounts to the flat thing with VHB tape. The screws that come with the stand will work in the mounting plate.

Source files are included. They should be really easy to modify to suit any purpose.
