updated 11. 10. 2022 | published 11. 10. 2022

### Summary

I purchased a used Burley Trailer, which was missing the bracket to hold the handle on the back of the trailer.

---

I printed it at 60% infill, and it's super strong. I added the .step if you need to modify the model. If you do, please reupload and tag me in the remix.
