OG Lament Configuration for your Hell Priest or Kirsty Cotton cosplay in homage to the classic horror, Hellraiser.

An actual, working puzzle box! Do you dare enter "The Labyrinth"?

Updated for ease of printing and assembly. It's still a reasonably challenging and long print, so get your first layer dialled in and mind those clearances (increased to 0.6mm for this release).

NOTE: Initial upload had a weird scaling issue on internal parts, files updated. (2022/11/13)

Yes, it's a shameless re-release for the Halloween competition with slight tweaks (based on user feedback). I take it film IP is fair game since they name drop and mention cosplay in the competition page!

Happy Halloween!
