Summary

Stand for the chromecast remote

Stand for the chromecast remote. Like my other model, which has an additional place for a hitachi beamer remote.

There's also a small compartement for a pen or something similiar. There's a second modell with a slightly bigger compartement.

I did not print this, but it's based on the other model with the hitachi remote.

My Print Instructions/Settings

0.25mm Draft Setting for PrusaMINI in PrusaSlicer (But with Gyroid infill)

Infill: 5% is more than enough.

No supports needed.
