## Summary

This is my combined holder for garage opener and coins (diameter 60mm).

[Hobby & Makers](#) > [Automotive](#)

Tags: [car](#) [coin](#) [coins](#) [cup](#) [garage](#) [holder](#) [opener](#)

This is my combined holder for garage opener (type Hörmann) and €-coins (bottom diameter 60mm).

This part should fit in the coffee cup holes for many car types. If you need a bigger one (78mm), you can watch my [first model](#).
