This has to be printed .2 I didn't check with .1 but if you print at .3 it will not hold the charger in there properly.

Based off galaxy watch charger model EP-YO805

My watch is Samsung Galaxy Watch (model sm-r805u) User **Владимир Пластинин**@_743688 said this charger works with sm-r760 and sm-r770 as well, thank you!
