## Summary

Island, tiles for <https://boardgamegeek.com/thread/2862797/wiptts-lava-leylines-surprisingly-balanced-asymmet>

[Toys & Games](#) > [Boards Games](#)

Print this to play Lava Leylines.

<https://boardgamegeek.com/thread/2862797/wiptts-lava-leylines-surprisingly-balanced-asymmet>

This island expands with connected pieces.

Land tiles are double sided black & yellow.

Lava tiles are double sided all red.

Recommended: Print the test board file first. Print 6 land tiles and 1 lava tile. Test these tiles out on the test board.

Recommended: Print one half of many land tiles, pause, color change, print the other half. Alternate: use paint to distinguish tile colors.

You can easily pick up tiles by pushing down on any of the tile edges.

Game designed by quantumpotato

Models designed by Donald Sayers <https://www.printables.com/social/252028-donaldsayers/models>

Pawns: print 6 green Islander pawns. 6 purple serpent pawns. print 3 more of each for expanded island.

Recommended for Serpents: the Knights from <https://www.printables.com/model/29853-chess-set>

## Model files

### lava-leylines-island-assembly-part-1-of-3.stl
