### Summary

Sathanas 3D model from Freespace 2

[Gadgets](#) > [Video Games](#)

Tags: [freespace2](#) [scifi](#) [spaceship](#) [sathanas](#)

This is the updated 3D model pulled from MediaVP upgrade v4.6

Keep in mind, this is a straight pull from the game files, I've only converted it to STL, so you need to scale it down to an appropriate size
