Summary

A little riser tray to hold the PSVR processor box. That little box gets really hot and I had mine on top of the PS4.

Tags: [table](#) [psvr](#) [ps4](#) [riser](#)

A little riser tray to hold the PSVR processor box. That little box gets really hot and I had mine on top of the PS4. I thought it would be a good idea to give them both a little breathing room.

Print instructions

The legs for the riser are a tight fit, be careful not to push them in without supporting the other side of the tray.
