updated 18. 7. 2023 | published 18. 7. 2023

Summary

Connect poster boards easily without hot glue. Great for making large display models.

Attach 5mm poste board (foam core) with these clips. We used them to create a large popcorn box that we can disassemble when we are done.

Printed in eSUN PLA+ White.

Layer Height: 0.2

Infill: 40%
