### Summary

This simple stamp comes in 2 parts to glue together. Make sure the ink is ok on the skin of your kids.

---

This simple stamp comes with the picture of an excavator on a 26x26 mm plate and the handle of the stamp.

Glue the 2 parts together and make sure to use the right ink that is fine on your kids skin.

We use to reward our 2 year old for good behavior, using the potti, brushing the teeth ....

I use to print with PLA and 0,4 nozzle at 0,2mm hight.
