### Summary

Add 3 lines to your layout coming from the center of your object going to the left, top and right. Print this cross...

[Hobby & Makers](#) > [Other Ideas](#)

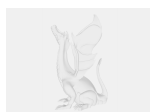

Add 3 lines to your layout coming from the center of your object going to the left, top and right. Print this cross first, then align and fix your layout. Remove the the cross and print.

If your slicer puts everithing in the middle of the bed it should work.
