updated 10. 11. 2022 | published 10. 11. 2022

### Summary

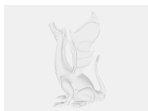

Hercules Mk II 3D model from Freespace 2

[Gadgets](#) > [Video Games](#)

This is the updated 3D model pulled from MediaVP upgrade v4.6

Keep in mind, this is a straight pull from the game files, I've only converted it to STL, so you need to scale it to an appropriate size
