### Summary

Mount your Yoplait Oui jars on your IKEA Skadis board to keep tools and trinkets visible and within arm's reach.

I had way too many yogurt jars and instead of recycling them, I decided to use them to store and organize my tools. Now i just need to print 10 more of these!

I printed these upside down with supports (support placement: touching everywhere to support the lip) and a brim.

Hatchbox Gray PLA printed at 200 C and 0.12 mm layer height.
