## Summary

I decided to model a vase and a saucer for a plant that my parents bought and the store, and why not, share this!

I decided to model a vase and a saucer for a plant that my parents bought and the store, and why not, share this!

## Print instructions

I recommend printing both with 3 perimeters, for ensuring water-tight. This might not be necessary thanks to the fillet at the bottoms, but i've not printed this so be careful
