Summary

This is my first try at building a jet in Fusion 360 for my daughter. I hope it brings joy to someone else too!

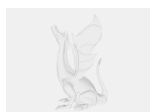

[Toys & Games](#) > [Vehicles](#)

Tags: [airplane](#) [f22](#) [jet](#)

A jet inspired by many different types of jets. This is my first 3d model and it may not be perfect. Printing with thin walls may assist with the air vents, which are quite delicate.

I appreciate any feedback!
