### Summary

Pixel 7 Pro + Watch Stand (All-in-One)

[Gadgets](#) > [Portable Devices](#)

Tags: [googlepixel](#) [pixelwatchstand](#) [pixelphonestand](#)

There were no Pixel 7 Pro and Watch (All-in-One) stands, so I meshed 2 together. Credit to both Taer.Holmes(listed below) and WCTFT (<https://www.thingiverse.com/thing:5568965>) for their designs. Added a simple bridge between the 2 to create the all-in-one.
