## Summary

These are the headband, the arm band, and the Bracelets of Submission.  
Pls drop a follow!

[armband](#)

I made these Wonder Woman cosplay bracelets off this film still:

Includes blender file.

Version 2.0 is optimized for 3d printing to use fewer supports. They're also chopped up so you can add a strong fabric backing and a clasp/velcro. This is intended to make them fit better so they can be worn longer.
