An organizer I designed for my metal cabinet drawers. Useful for small screws, nails, and just to subdivide making better use of the space. They can also be used standalone in a drawer for better organization.

4 versions - Single, Dual, Triple or Quad layouts

Customizable dimensions to fit your project.

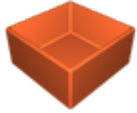

70mm x 35mm with 2.5mm wall thickness

I usually print with a 0.6mm nozzle and .32mm or more layer height.
