updated 10. 11. 2022 | published 10. 11. 2022

### Summary

needed to make sure a group of cable stayed put.

[Art & Design](#) > [Wall-mounted](#)

Tags: [honeycombstoragewall](#) [wallmount](#) [wiremanagement](#)

needed something to keep the wires in the corner. and stop them from wiggling between desk and wall.

needs

2 x m4 w/nut

1 x m3 w/nut
