Summary

Stylish and Functional laser guided remote holder

[Household](#) > [Living Room](#)

Have you ever had trouble aim that silly old tv remote at the tv, because I know I have. Introducing the laser guided tv remote holder with this handy invention all your aiming concerns are over and forget about it getting lost in the couch ever again with its signature anti couch feature of burning a hole at anything the gets Infront of the laser, also the laser acts a remote finder as well just look for blue glow and smell of stuff burning and you'll find that remote in no time at all
