updated 11. 11. 2022 | published 11. 11. 2022

### Summary

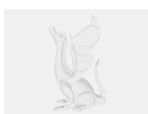

This 8-way Directional restrictor for the Sanwa JLW joystick gives it positive engagement in all 8 directions.

[Gadgets](#) > [Video Games](#)

Tags: [arcade](#) [jlw](#) [joystick](#) [sanwa](#)

The OEM 8-way restrictor only has positive engagement in the UpLeft, UpRight, DownLeft, and DownRight directions which leaves Up, Down, Left, and Right with a sloppy feel. This gives the joystick positive engagement in all 8 directions.
